

Tee It Up

MONTROSE

GOLF PACKAGES

Montrose, an All-America City, is the perfect place to “tee it up” for golf and so much more. Settled within easy reach of a remarkably vast selection of getaway experiences, Montrose lives up to the slogan, “Stay here. Play everywhere.”

With the plummeting depths of the Black Canyon National Park just to the east, the towering and majestic San Juan Mountains to the south, the expansive Uncompahgre Plateau to the west, lake-bejeweled Grand Mesa to the north, and tens of thousands of acres of public lands sandwiched in between, Montrose is literally surrounded by an endless variety of prospects for year-round exploration and adventure.

Design your Montrose visit to include as much variety as you can manage by staying at any one of a variety of hotels, RV parks, or campgrounds. Begin the day with a round of golf, throw in a scenic drive, an exhilarating wilderness trek or some cultural sites, and finish the day at one of our local brew pubs. Families can mix in a little something for everyone – shopping, fishing, biking, photography, camping, swimming, motor sports – the list goes on.

Stray beyond the ordinary and unearth an adventure that is uniquely your own.
